

**OFFICE OF THE BUTLER COUNTY ATTORNEY**  
**DIVERSION PROGRAM FOR 1ST OFFENSE DUI CASES**

**I-1**

**A. IN GENERAL:**

The Butler County Attorney has established a Diversion Program for first time driving under the influence (**DUI**) violations. The County Attorney's decision to grant diversion will be based upon the following criteria as well as the other statutory factors, including whether diversion will be in the interests of justice and of benefit to the defendant and the community.

The burden is on the defendant to initiate the application process and thereafter follow proper procedures. If you are granted diversion and successfully complete the same, the diverted charges will be dismissed. However, your participation in a **DUI** diversion program will still be reflected on your driving record and in your criminal history. If you are granted DUI diversion and are later charged with another DUI, the prior DUI diversion will be counted as if it were a conviction.
