

# Butler County Recycling Trailer Program

## How do I get Started?

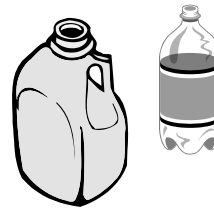

- Use boxes, paper or plastic sacks or buckets to store your materials in until the trailer comes to your town.
- You'll need larger containers for newspaper, cardboard and plastics, and smaller containers for magazines, glass, paper, tin cans and pop cans.
- Sorting and cleanliness are very important! Rinse cans, plastic and glass containers. It's okay to leave labels on metal cans, glass and plastic. Paper, magazines, plastic bags and cardboard should be clean and dry.
- It is important to put recyclable materials into the appropriate bins on the trailer. Look for pictures or labels on the bins.
