It is a requirement by K.A.R. 92-51-35 that the speedometer or odometer which records the number of miles shall be kept working at all times during the calendar year and that the Highway Patrol, Motor Carrier Inspection Stations or any law enforcement officer, shall have authority to inspect the readings of the speedometer or odometer and also to ensure that the same is properly connected and in good working condition.

The operator of any vehicle shall keep at all times in the vehicle a log reciting the date, the towns in between and the distance operated on each trip for those having a 6000-mile registration. Any one securing a 6000-mile registration and not having the speedometer or odometer connected and in good working condition, or the log of miles covered as above set out on the dates and distances covered in the vehicle, shall have his registration suspended and the same shall not be reinstated until the difference between the 6000-mile and the regular registration fee on said unit has been paid. (Authorized by K.S.A. 74-2011, K.S.A. 75-5111, K.S.A. 1981 Supp. 8-134 and K.S.A. 1981 Supp. 8-143.)
