BUTLER COUNTY SANITARY LANDFILL

POLICY ON COUNTY CLEAN UP

2020

Butler County is committed to keeping our environment clean and healthy. To that end, we are pleased to offer our countywide cleanup program. This program is designed to be effective, accessible and equitable for all citizens of Butler County.

- Butler County has designated the dates **Saturday, June 20th to Saturday, June 27th, 2020** for a countywide cleanup event available to all residents of Butler County. Disposal fees will be reduced for eligible items during the cleanup event.
- Eligible cleanup wastes are those items **not considered to be normal residential household waste**. Examples of eligible items would include items such as furniture, appliances and bicycles, small quantity of building materials, small equipment, retired toys and yard trimmings. Metal goods and yard trimmings can be recycled and so should be separated and unloaded in the appropriate areas. **No Business Waste, Commercial Waste, Hazardous Waste or Liquid Waste** will be accepted.
- All acceptable waste that is not considered to be cleanup waste will be subject to current landfill fees. Regular waste must be separated from cleanup waste.
Mixed loads will be charged regular landfill fees.
- Cleanup events are open only to residents of Butler County. Participants are required to abide by all rules and prohibitions posted at the Landfill. Recycle bins will be available as always.
- The following will be charged for eligible cleanup waste delivered to the Butler County Sanitary Landfill during a scheduled cleanup event.

Brush, limbs, yard waste	FREE
White goods without refrigeration units (stove, washer)	FREE
Refrigerators, freezer, air conditioners	\$5.00 each
Tires (passenger and light truck) (no rims) (limit 5)	\$0.50 each
All other cleanup waste (\$0.50 per load)	\$2.00 per ton
